Binder Information: Middle School is introducing a new program called SOAR Learning and Soft Skills next school year. This program introduces a system of simple, student-friendly strategies to help students organize, study and complete homework efficiently.

More information about this program will be communicated in August. Each student needs (1) 1.5-inch binder with clear pockets on the outside. The binder should have pockets on the inside front and back cover as well.

**All eighth grade students need a TI-83 or TI-84 graphing calculator. Students may purchase their own or rent one from the school for a \$10 yearly fee. Students will need these for higher level math classes in high school.
