

May 6, 2011

Dear Lititz Christian Parents and Students,

The focus of Lititz Christian School emphasizes the individual student's spiritual and academic development. Therefore, we desire to enhance the quality of Christian education available to our students. It is our vision to enrich curricula and experiential opportunities for those whom God sends us, and to maintain a level of excellence that honors Jesus Christ.

With this mission in mind, I present to you the course selection information for the 2011-2012 school year. Lititz Christian continues to offer a select variety of top quality courses that allow students to be met where they are and moved to greater levels of academic depth, spiritual development, and personal experience. In a day when many schools are cutting their course offerings due to economic difficulty, Lititz Christian is pleased to offer a wide variety of courses at the secondary level including a unique Open Campus Option now available to senior students, newly developed Project Management courses for students in grades 9-11, and an additional Applied Sciences course for students in grades 10-12. Lititz Christian provides vibrant and natural biblical integration through the living witness of passionate, Christian teachers, coaches, and administrators whose ministry is to prepare students for present life, future goals, and eternal impact. I am personally excited that you have chosen to be a part of Lititz Christian School, and I trust that you will be blessed by the educational opportunities that are available.

Included in this mailing is a Course Offerings Roster for periods 1-8 at the appropriate middle or high school level. **Please complete the Course Selection Request (color coded by grade level) and return this form, along with the Prerequisite Signature Sheet if applicable, to your homeroom teacher by May 20, 2011.** If you have any questions regarding course selection, please speak with the appropriate homeroom teacher or Mr. Pethtel as soon as possible. To learn more about the Open Campus Option for seniors or to download updated Course Description Guides and other scheduling forms, please go to www.lititzchristian.net and click on Quicklinks. **Please note that the Course Description Guides for 2011-2012 are now available exclusively online and will not be distributed in printed form unless a special request is made to the main office.**

In Christ,

Gabriel J. Pethtel
Secondary Principal
