

## LITITZ CHRISTIAN SCHOOL

### 2022-23 Tuition Rates and Computation K-12

*It is our priority to keep tuition rates as low as possible. Both "subsidized" and "full" tuition payment options are offered for the 2022-23 school year. Please note: "subsidized" means that our staff will work in earnest to ensure the approximate \$1250 difference compared to "full" tuition is met through fundraising efforts. It is not tuition assistance. Tuition assistance can be applied for separately and is determined based on need.*

ANNUAL TUITION (CHOOSE ONE)	Subsidized Tuition	Full Tuition
Partial-Day Kindergarten	\$5,300	\$6,550
Kindergarten-Elementary (K-4)	\$8,715	\$9,965
Middle School (Grades 5-8)	\$9,150	\$10,415
High School (Grades 9-12)	\$10,770	\$12,030
<input type="checkbox"/> <i>It is my desire to donate the difference between full tuition and subsidized tuition for a family who is unable to pay full tuition. Please add the difference to my tuition total and contact me with that total.</i>
