

**Lititz Christian School**  
**2025-26 Tuition Rates and Computation K-12**

**Why pay full tuition?** It is our priority to keep tuition rates as low as possible. Both "subsidized" and "full" tuition payment options are offered for the 2025-26 school year. "Full Tuition" is the actual cost to educate each student. If your family can afford this, we encourage you to opt for it in FACTS. "Subsidized" is a lower rate that is offered to all families. The \$1500 difference is met through fundraising efforts. It is NOT tuition assistance. Your family can apply for it by uploading 2024 tax information in FACTS.
