

## Strategies, Policies, and Procedures

<p>a. Universal and correct wearing of <a href="#">masks</a>;</p>	<p>In the absence of an existing, valid, binding order, it is optional for families to choose to wear a facial covering, regardless of vaccination status, to do so in our school and/or at school-sponsored activities. Lititz Christian School will continue to review recommendations from the CDC, PA Dept of Health, and other local health officials.</p>
<p>b. Modifying facilities to allow for <a href="#">physical distancing</a> (e.g., use of cohorts/podding);</p>	<p>Social distancing (3ft) will take place in the cafeteria between grade-level classes</p> <p>Every effort for social distancing (3 ft) within the classroom will be maintained. 3 ft social distancing will allow for a collaborative classroom environment.</p> <p>Continue to distinguish between cohorts (i.e. Elementary, MS, HS), while allowing for students within the cohorts to be combined. (Examples...elective classes, recess, etc.)</p>
<p>c. <a href="#">Handwashing and respiratory etiquette</a>;</p>	<p>Hand sanitizer and soap will be available at sinks, in bathrooms, classrooms, common area rooms, and in the lunchroom. Students will be encouraged to frequently wash their hands, especially before and after lunch or recess.</p> <p>Respiratory etiquette will be reviewed and encouraged.</p>
<p>d. <a href="#">Cleaning</a> and maintaining healthy facilities, including improving <a href="#">ventilation</a>;</p>	<p>Classrooms, hallways, offices and common areas will be disinfected with applicable disinfectant as needed.</p> <p>Common areas will be cleaned on a daily basis by our cleaning company.</p> <p>A deep cleaning takes place if a positive case is confirmed within the classroom.</p> <p>Teachers will continue to sanitize desks and other high contact surfaces daily.</p>

	Staff are encouraged to open windows for additional ventilation.
e. <a href="#">Contact tracing</a> in combination with <a href="#">isolation</a> and <a href="#">quarantine</a> , in collaboration with the State and local health departments;	Lititz Christian will continue to collaborate and coordinate contact tracing and quarantining on an ongoing basis. *Please see Covid flowchart for additional information.
f. <a href="#">Diagnostic</a> and screening testing;	Reminders of COVID related symptoms will be presented upon entering the building.  Parents/guardians/visitors are asked to monitor their student(s) at home and to conduct a symptom screening prior to the student arriving at school.  Staff are asked to monitor themselves and conduct a symptom screening prior to arriving at work.  Information pertaining to diagnostic testing across the county will be provided to staff, parents/guardians on an as-needed basis.
g. Efforts to provide <a href="#">vaccinations to school communities</a> ;	Lititz Christian School will share reliable information regarding safe vaccination opportunities with our school community when we receive information about such opportunities.
h. Appropriate accommodations for students with disabilities with respect to health and safety policies;	Lititz Christian will provide necessary accommodations for students, as deemed appropriate by the Academic Support Team, with respect to health and safety policies.
