

## K - 2nd Spanish Vocabulary Review

### Lotería (Bingo)

Instructions:

Use the vocabulary below to fill in your Lotería (Bingo) sheet. Students may color/draw in their boxes instead of writing the words, which I definitely recommend for Kindergarten. They are allowed to have help, or you are welcome to do it for them in this case!

Anaranjado (orange)	Óvalo (oval)	2 dos
Amarillo (yellow)	Triángulo (triangle)	3 tres
Verde (green)	Rectángulo (rectangle)	4 cuatro
