## STATEMENT OF FAITH

We of Lititz Christian School, believing the Bible, the whole Bible, and nothing but the Bible to be our infallible rule of faith and of practice, and feeling our responsibility to make known the divine message of the Bible, present the following articles as a statement of those basic truths taught in the Bible which are common to our Christian faith and practice:

1. **THE BIBLE:** The Word of God, the sixty-six Books of the Old and New Testaments, verbally inspired in all parts, and therefore wholly without error as originally given of God (II Timothy 3:16; II Peter 1:21).
2. **THE ONE TRUE GOD:** existing eternally as three persons—the Father, the Son, and the Holy Spirit (Luke 3:22; Matthew 28:19; II Corinthians 13:14).
3. **THE LORD JESUS CHRIST:** His preexistence and death (John 1:1-3), incarnation by virgin birth (John 1:14; Matthew 1:18-23), sinless life (Hebrews 4:15), substitutionary death (II Corinthians 5:21), bodily resurrection (Luke 24:36-43), ascension into heaven and present ministry (Hebrews 4:14-16), and coming again (Acts 1:11).
4. **THE HOLY SPIRIT:** His personality (John 16:7-15), and deity (Acts 5:3-4), and His work in each believer; baptism and indwelling at the moment of regeneration (I Corinthians 12:13; Romans 8:9), and filling (Ephesians 5:18) to empower for Christian life and service (Ephesians 3:16; Acts 1:8; Galatians 5:22-23).
5. **MAN:** his direct creation in the image of God (Genesis 1:26-28), his subsequent fall into sin resulting in spiritual death (Genesis 3:1-24; Romans 5:12), and the necessity of the new birth for his salvation (John 3:3-5).
6. **SALVATION:** a complete and eternal salvation by God's Grace alone, received as the gift of God through personal faith in the Lord Jesus Christ and His finished work (Ephesians 2:8-9; Titus 3:5-7; I Peter 1:18-19).
7. **THE CHURCH:** one true Church, the body and bride of Christ (Ephesians 1:22-23; 5:25-32), composed of all true believers of the present age (I Corinthians 12:12-13), and the organization of its members in local churches for worship, for edification of believers, and for world-wide gospel witness, each local church being autonomous but cooperating in fellowship and work (Ephesians 4:11-16).
8. **CHRISTIAN LIFE:** a life of righteousness, good works, and separation unto God from the evil ways of the world (Romans 12:1-2), manifested by speaking the truth (James 5:12), maintaining the sanctity of the home (Ephesians 5:22-6:4), settling differences between Christians in accordance with the Word of God (I Corinthians 6:1-8), not engaging in carnal strife but showing a Christ-like attitude toward all men (Romans 12:17-21), exhibiting the fruit of the Spirit (Galatians 5:22-23), and maintaining a life of prayer (Ephesians 6:18; Philippians 4:6), including the privilege, when sick, of calling for the elders of the church to pray and to anoint with oil in the name of the Lord (James 5:13-18).
9. **ORDINANCES:** the Christian should observe the ordinances of our Lord Jesus Christ, which are (1) baptism of believers by triune immersion (Matthew 28:19) and (2) the threefold communion service,

consisting of the washing of the saints' feet (John 13:1-17), the Lord's Supper (I Corinthians 11:20-22, 33-34; Jude 12), and the communion of the bread and the cup (I Corinthians 11:23-26).

10. **SATAN:** his existence and personality as the great adversary of God and His people (Revelation 12:110), his judgment (John 12:31), and final doom (Revelation 20:10).
11. **THE SECOND COMING:** the personal, visible, and imminent return of Christ to remove His Church from the earth (I Thessalonians 4:16-17) before the tribulation (I Thessalonians 1:10; Revelation 3:10), and afterward to descend with the Church to establish His millennial kingdom upon the earth (Revelation 19:11-20:6).
12. **FUTURE LIFE:** the conscious existence of the dead (Philippians 1:21-23; Luke 16:19-31), the resurrection of the body (John 5:28-29), the judgment and reward of believers (Romans 14:10-12; II Corinthians 5:10), the judgment and condemnation of unbelievers (Revelation 20:11-15), the eternal life of the saved (John 3:16), and the eternal punishment of the lost (Matthew 25:46; Revelation 20:15).

## **PHILOSOPHY OF EDUCATION**

The philosophy of education of Lititz Christian School rests upon a foundational, God-centered view of truth, mankind, and the world. God creates and sustains all life and all things; therefore, their purpose is to know and glorify Him. Man, created in God's image, may uniquely know and glorify Him through the redemptive work of Jesus Christ. Consequently, the entire process of education is viewed as a means to bring the student into fellowship with God through salvation and to train him in Christ-like character so that he may fulfill God's purpose for his life personally and vocationally. These goals are pursued because of God's directive that parents should train their children in biblical truth (Deuteronomy 6:4-9), and because of Jesus' example of growth "in wisdom and stature, and in favor with God and men." (Luke 2:52) Thus education that is Christian will influence the child spiritually, physically, mentally, emotionally, and socially.

At the parents' request, the Christian school, along with the church, becomes a partner with the family in providing this education. Lititz Christian School has as its purpose the education of its students in the following areas:

### **1. Spiritual and Moral Development**

The Gospel will be set forth as God's only plan of salvation, and the Scriptures will be viewed as authoritative, true, and the pattern for godly living and character development. Biblical moral standards will be maintained without apology.

Scripture will be the structure within which the students' self-concept and world view will be developed. As a result, they will be trained and encouraged to use their abilities to be part of God's plan and work in the world.

### **2. Personal and Social Development**

Because the students are viewed as unique, purposeful creations of God, they will be urged toward habits of personal responsibility, the development of their talents, and a biblical understanding of themselves and others. They will have opportunity to keep physically fit, and will be encouraged to honor God through both body and spirit.

Godly socialization, respect for authority, and biblical principles leading to godly adulthood will be the basis for classroom interactions. These will result in proper attitudes toward other people, material possessions, work ethic, and the awareness of accountability to God and to others.

### **3. Academic Development**

Academic standards will be measurably high and challenging in order to help students realize their full academic potential. Communication processes such as reading, writing, speaking, and listening will be fundamental, as well as the practice of good study habits, reasoning abilities, and methods of independent research and learning. Though individualized learning and the pursuit of personal interests will be primary goals, so also will be an overall appreciation for the environment and God's purpose and plan for mankind. In addition to academic excellence in all areas, students will be guided to develop creative and evaluative thinking habits based upon biblical criteria.

### **4. Home and School Interaction**

Through the example and message of the school, its families will be exposed to the Gospel, to encouragements for Christian growth, and to guidelines for the development of Christ-centered homes. Parents will be encouraged to shoulder their part of the students' spiritual, moral, academic, and social education. Teachers will work closely with parents, helping them to understand the school's purpose and program, and urging them to keep abreast of the students' progress and the world culture that surrounds their children. Both school and parents will regard all students not only as valuable creations, but also as the next generation of Christian citizens for whose development they are responsible.

## **CORE VALUES**

**The Nature of Truth** Since we believe that all truth is God's truth, we confidently undertake academic pursuits, knowing that the outcome of those pursuits will honor Him and confirm His Word. In structuring every area of Lititz Christian School, we therefore, personally and corporately, place ourselves under the authority of Scripture and bear in mind our accountability to Him. (II Timothy 3:16-17; John 17:17; John 14:6)

### **The Nature of the Student**

We see our students biblically as God's unique creations, fallen, yet redeemable through the sacrifice of Jesus Christ. They are created by God in His image, which makes them of extreme value to Him and to us. Therefore, our highest goals are first, to introduce them to Jesus Christ as Savior and Lord, and second, to be instrumental in training and nurturing them toward a biblical world view and in preparing them to live as lights in a dark world, fitted for His service. (Romans 3:23; 6:26; Matthew 5:14; Colossians 3:17)

### **The Nature of the Staff**

Since the faculty and staff of Lititz Christian School are strategic in accomplishing our goals for our students, we expect excellence in preparation and performance—biblically, academically, and professionally—as a stewardship to Jesus Christ. Also necessary is the cultivation of a personal relationship with Him so that their example and witness may overflow to the students. For these reasons, they are to pursue both personal and spiritual growth, to conduct themselves according to biblical standards, and to support each other with fellowship and prayer. (Colossians 3:13; Psalm 119:105; Ecclesiastes 9:10; Ephesians 6:18)

### **The Nature of Christian School Ministry**

The role of Lititz Christian School is to come alongside Christian families whose children are our students in order to provide education that is Christian. We define that as education that points the students to Jesus Christ as the Creator and central figure of history, as well as the God who cares for them personally. Education that is Christian will be academically excellent, will train the students in godly socialization, and will challenge them to develop and to use their talents for whatever His calling may be upon their lives. (Deuteronomy 6:49; Luke 2:52)

Lititz Christian School is glad to hear from the parents, students, and alumni concerning the effectiveness of its implementation of the philosophy of education, mission, and vision statements. Input may be conveyed by contacting the Senior Administrator.

### **Bible**

The Bible is the most important book studied. Each student is to have a complete Bible for use in school. The New International Version (NIV) is the approved text for all grades. The goal of Lititz Christian School is to integrate God's Word into all academic areas of study. It is our desire that students learn to integrate every area of their lives with the principles of God's Word. With our Expected Student Outcomes in mind, students will be assessed on Biblical principles that have been taught in the classroom as well as other academic material.

## Grading Scale (Grades 5-8)

A+	100 – 97%	B-	82 – 80%	D	66 – 63%
A	96 – 93%	C+	79 – 77%	D-	62 – 60%
A-	92 – 90%	C	76 – 73%	F	59% or below
B+	89 – 87%	C-	72 – 70%	I	Incomplete
B	86 – 83%	D+	69 – 67%		

- Distinguished Honor Roll: Students have A's in all classes.
- Honor Roll: Students have A's and B's in all classes.

### Homework

We believe that homework is an integral part of the school program and each teacher is at liberty to give homework to aid each student to achieve academic success. The purpose of homework is to reinforce skills taught in the classroom and to provide opportunity for students to do further study beyond what can be covered during the regular school day.

It is important that parents support their child's teacher by ensuring that homework assignments are completed accurately, neatly, and on time. Parents are encouraged to assist their child with difficult assignments, but not to do any homework for them, with the purpose of having the student reflect what he/she understands.

All students are expected to have their assignments completed by the date due. Late assignments may be penalized at the discretion of the teacher. Lost textbooks, outside meetings, extracurricular activities, or failure to write down assignments are not considered valid reasons for turning in late assignments. An email notification will be sent through FACTS/Renweb when a student has a missing assignment.

Each teacher will establish his/her standards for completing daily and weekly assignments. These standards will be clearly stated on each course syllabus and will be orally reviewed with students at the beginning of each course.

### Incomplete Work

Any work that is required by the classroom teacher that is not finished will be designated as an incomplete (I). An incomplete (I) will be placed on the report card and the student will have two weeks to change the incomplete to a grade. A student that has an incomplete cannot be considered for the honor roll. The only excuse would be a medical excuse.

## **Progress Reports**

In grades 5-8, progress reports will be available on FACTS/Renweb midway through each grading period.

Students with a 72% (C-) or below in a subject will receive an email or phone call from the teacher. Parents are expected to reply via email as confirmation of receipt to an emailed progress report.

Grades are available to view throughout the school year on FACTS/Renweb parent portal to keep parents up-to-date with student academic progress.

## **Probation (Academic, Grades 5-8)**

A student will be placed on academic probation for a one-week probationary period if he/she receives the following grades as an average:

1. One (1) subject with 59% (F) or below average      OR
2. Two (2) subjects or more with averages of 69% (D+) or below

At the end of the one-week probationary period, the teachers and school administration will make a decision to do one of the following:

1. Remove the student from probationary status and reinstate to normal status:
  - a. this will occur if student's grades are raised and academic and classroom performance improves
2. Extend the probation period:
  - a. this will occur if:
    - 1) a student's grades do not improve
    - 2) work continues to not be handed in
    - 3) attitude and motivation do no improve
  - b. If a probation period is extended, administration will work with the student, parent(s), and faculty to create a plan for improvement
3. Establish a formal meeting between administration and parents:
  - a. this will occur if:
    - 1) a student's grades do not improve
    - 2) work continues to not be handed in
    - 3) attitude and motivation do no improve
    - 4) the plan for improvement is not adhered to by the student and/or parent(s)

\*Note: During the 1-week probationary period, students on Academic Probation may not be eligible to participate in athletic games, instrument lessons, or other extracurricular school activities. Ongoing student ineligibility for extracurricular activities will be evaluated and included in the plan for improvement created for the student.

## **Promotion and Retention**

Students are promoted or retained on the basis of their total preparedness to do satisfactory work at the next grade level. Age, maturity, achievement, ability, and social factors are all taken into consideration when making such a decision. Information is gleaned from standardized tests, past achievement records, parental observation, and teacher evaluation. The school administration makes all final decisions in regard to student retention.

**Report Cards**

Report cards will be posted online to FACTS/Renweb every marking period. Parents are encouraged to contact their child's teacher with any questions or concerns regarding their child's progress. Parent-Teacher conferences may be scheduled at any time throughout the school year as parents or teachers see a need to discuss the child's school work.

Parent Conferences are scheduled after the first marking period. These conferences are held in a group setting with the middle school teaching team. Please make every effort to set up a conference with the teacher to review report cards and the progress of your student.

Final report cards are posted after all tuition and fees are paid for the entire year. Transcripts will also be withheld until all accounts are up to date.

**Standardized Testing in Grades 5-8**

Students in grades 5-8 will participate in Acadience Math and Reading testing three times a year. These benchmark tests help teachers gain an understanding of students' needs and strengths.

### GENERAL ATTENDANCE

- Students are required to regularly attend school. **This includes half-days, club days, field trips, etc.** While regular attendance is a Pennsylvania state law, it is also essential to effective learning and retention.

However, when attendance might be detrimental to a child’s health or to the health of others, please keep your child at home. Students may legally be absent or sent home due to the following reasons:

<b>Stay Home</b> (excused absence)	<b>Sent Home</b> (excused absence)
Illness Death in the family Medical reasons Church commitments Educational trip Family trip Emergency-related situation	Obviously ill Temperature above 100 degrees* Conjunctivitis Head lice Chicken pox Symptoms suggestive of contagious disease <i>*student must remain fever-free without medication for 24-hours before returning to school.</i>

- Students who have been absent must present an **Excuse Request Card** signed by their parent/guardian to the office within 2 days of their return, stating the reason for the absence and the date(s) of the absence.
  - If a reason is not given for the absence, the absence will be considered unexcused.
  - Submission of an Excuse Request Card does not guarantee an absence will be excused. (See list above for excused absences).
  - Excused and unexcused absences can be checked on FACTS/Renweb parent portal.
  - When a student is absent, it is the student’s responsibility to make up missed school work.
  - If it is a pre-planned absence, the student needs to communicate the absence to teachers in advance.
  - If it is an unplanned absence, student needs to communicate with teachers when he/she returns.
  
- Parents who wish to take their children out of school to accompany them on family trips must make the request to the school administration in writing at least 2 weeks in advance. Go to [www.lititzchristian.net](http://www.lititzchristian.net) to download an Absence Request Form.
  
- The following steps will take place for a middle school student who is absent (excused or unexcused) in excess of 20 days. A student may request an exemption from this rule by presenting a statement from a physician to verify the necessity for excessive absences.
  - **After 10 absences:** Attendance Notice will be sent home from the office, notifying parents of the accumulating number of absences
  - **After 12 absences:** a meeting may be requested by the administration to discuss the accumulating number of absences
  
- Appointments (medical or otherwise) should be made outside of school hours, if possible.
  
- A student must sign out in the main office when leaving early, arriving after the start of school, or returning to school.

- A half-day absence will be counted for students who come to school after 11:00 a.m. (per PIAA athletic policy – student athletes who arrive after 11:00 a.m. will not be permitted to play in any scheduled games on that day).
  - If a student arrives at 11:00 p.m. or later it will be considered a full-day absence.
  - If a student leaves school before 11:00 a.m. and does not return to school that day, it will be considered a full-day absence.
- For security purposes, if a student is to be picked up early, their parent must send a note to the school office stating the time the parent will be picking up their child that day. The parent then must come to the school receptionist to sign their child out at the designated time. The receptionist will call the student from the classroom.
  - If a student is to be picked up by someone other than the parent/guardian, a note must be sent to the office granting permission for the student to leave with that designated person.

# DISCIPLINE POLICIES AND CONDUCT EXPECTATIONS

## Disciplinary System

### Purpose

If it is determined that a student is involved in immoral conduct (which includes pre-marital sex), a conference will be held with the administration, the student, and his/her parents.
